Flower Viewing JAPAN

In Japan, the arrival of spring is synonymous with hanami: picnicking under sakura (cherry blossom) trees as the sun lights up the pinky-white petals. The progress of the cherry blossom front is followed intently as it moves north, reaching Kyoto and Tokyo by the beginning of April. SLH has seven Japanese hotels, including **Hotel Il Palazzo** in Fukuoka, **Hotel La Suite Kobe Harborland** in Kobe, **Noborioji Hotel** in Nara prefecture, **Hoshinoya Kyoto** in Kyoto City, and **L'Hotel du Lac** in Nagahama Shiga.
